The Library System offers the Books by Mail service for the convenience of browsing the library's collection from the comforts of home at your leisure. This is very helpful when work, after school functions, and other obligations are too time constraining to allow ample time to visit a library in person. A monetary charge occurs only if you choose to return your Books by Mail items through the US Post Office, Library Rate. **There is no charge if dropped off at any St. Johns library's book drop or the Bookmobile.**
