

ST. JOHNS COUNTY SEED LIBRARY

MEMBERSHIP FORM

**Please fill this form out and hand in at the library desk.
Then you may begin checking out seeds.**

No library card is necessary. The seeds you check out do not have to be returned, although it is highly encouraged you grow plants and collect seeds to return to the Seed Library. 6 packets of seeds can be checked out each month at no cost. Once you have filled out the membership form and handed it in you may begin checking out seeds! Make sure to write down the seeds you are checking out each month on the Seed Check Out Form.

Are you new to seed saving??

Please start with the seeds that are labeled GREEN for EASY or YELLOW for MEDIUM. These seeds offer the beginning seed saver the best chance for successful seed saving. They produce more seed the same season as planted and are mostly self-pollinating, minimizing the need to be mindful of preventing cross-pollination.

What do I do when I have seeds to bring back to the library?

Please fill out the Seed Donation Form and place seeds in the Seed Donation Box.

If you have more questions refer to the Seed Library Binder for more information.
